The Nussra Front – Statement No. 49

Killing of the Director of the Internal Media Department: Ali Abbas

Praise be to Allah, the lord of the worlds, the Victor of the believers and the Vanquisher of the nonbelievers, and the One who fulfilled His promise of sending His messengers, and gave victory to His soldiers over the party of Shaytan and made his actions naught, and peace and blessings of Allah be upon our prophet Muhammad and his family and his companions, and after:

The state media, which is paid for by the people; the cost of the equipment, building expenditures, the costs continue to pile up and the people still get stuck with the bill. As we have previously warned, you cannot be neutral, so do not accept that taghut regime and the people of Jihad quite clearly did not accept their ways and their conviction is strong in that.

So, everyone must make up their minds: Which party do you choose, whose side are you on? Make your decision in front of Allah Almighty and He is the impetus of your decision. By the grace of Almighty Allah, the mujahideen of the Nussra Front, the heroes of Damascus managed to terminate the shabih journalist: Ali Abbas. We found information on his computer indicating his direct involvement with the security forces and he, also, had a security issued radio on his possession and pistol was looted from his body, praise and thanks be to Allah.

A path to escape the swords of the mujahideen is still open for those who want to save themselves, and they will be able to part ways with this tyrannical criminal regime.

And Allah has control over all affairs, but most people do not know
